POLITICAL ANNOUNCEMENTS

For Circuit Judge

The Interior Journal is authorized to announce Charles A. Harkin as a candidate for Circuit Judge of the Thirteenth Judicial district, at the election to be held November, 1911, subject to the action of the Demo-

The Frankfort News come a-buttin' into our little discussion with the Danville Advocate over the troops at the Peilman trial and observes "as usual, our friend Saufley tried to divert attention from the main issue. He accused the Advocate of trying to curry favor with the new circuit judge to get the Master Commissioner's printing. We usually judge others by what we would do ourselves under similar circumstances."

Well we may have misjudged the Advocate's motives in the premises, but if our esteemed Frankfort contemporary had been involved he would have surely hit the nail square on the head. We happened to know that the News has moved heaven and earth for the past two years, trying to get Circuit Judge Robert L. Stout to give it a slice of the Master Commissioner's printing in Franklin county which the State Journal has always enjoyed. So far we haven't noticed that the News has succeeded, as the little boy said, in "sucking in" with the Judge as yet.

The Lancaster Record in this issue come out for the direct plan of nominating which the Interior Journal suggested a few weeks ago. The primary is the fairest method of nominating candidates for offices, and Kentucky should have the direct primary law by which every man no matter how poor, may have the chance to run for office if his friends want him to keep up the good work.

The appointment of George L. Penny for chairman of the campaign committee is a splendid one. Lincoln county democrats should rally to the standard of Mr. Helm and see that their congressman is given the largest majority on record in his home county.

GOOD NEWS

Many Stanford Readers Have Heard
It and Profited Thereby

"Good news travels fast," and the thousands of bad back sufferers in Stanford are glad to learn that prompt relief is within their reach. Many a lame, weak and aching back is bad no more, thanks to Doan's Kidney Pills. Thousands upon thousands of people are telling the good news of their experience with the Old Quaker remedy. Here is an example worth reading:

"George Wright, Stanford street, Lancaster, Ky., says 'I have never known of a better kidney remedy than Doan's Kidney Pills. Last fall my back ached a great deal and my kidneys were badly discolored. The secretions from these organs were scanty and painful in passage. I fortunately had Doan's Kidney Pills brought to my attention and getting a box, I began their use. They relieved me quickly and in return for the benefit I received, I am willing that my name should be used in endorsing them. My advice to all sufferers from kidney trouble is to give Doan's Kidney Pills a trial.'

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
